

24/7 ®

SECURITY SERVICES

Personal • Integrated • Effective

24/7 Security Services is a trusted provider of security services to schools and campuses

Established in 2004, 24/7 Security Services provides integrated security solutions by combining manpower with the latest security technology. Owner managed and driven, the company was born out of a need for a security services provider that understands South Africa's unique security landscape and needs. Guarding, Armed Reaction and Technology form our core offerings. The state-of-the-art 24/7 Command Centre applies intelligence, technology, information gathering, statistics and backend systems to ensure a premium service to clients.

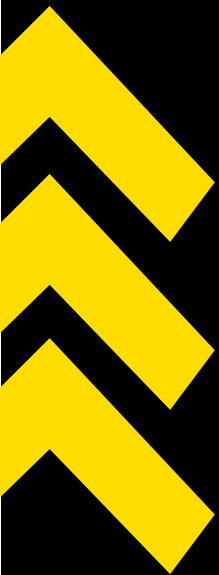

24/7 Security Services, as a market leader in school and campus security, has a dedicated Schools Division. The objective of this division is to provide tailor-made security solutions with a host of pro-active safety and security initiatives for schools and campuses.

All security officers are specially trained in school and campus security, which is established through developing site-specific Security Operating Procedures (SOP) with our clients. All security officers and management have all undergone stringent vetting criteria and proven aptitude assessments for these environments.

The dedicated management and supervisory team focus on school and campus security. Site-specific training and induction for all security officers are facilitated by a dedicated team of instructors.

- »» **Special Events:** A dedicated and trained team of management, supervisors and staff to cater for events such as sports events, music concerts, open days, etc.
- »» **Sexual Offenders Act:** Through the use of Afiswitch / Ideco criminal record/ background checks we provide on-site screening or on-site terminals for the vetting of all staff in line with the Sexual Offenders Act.
- »» **Technology:** We provide specialised CCTV, access control, alarms and off-site monitoring – tailor-made for schools and campuses.
- »» **Vumacam:** Vumacam infrastructure is utilised for Automated Number Plate Recognition (ANPR) and pro-active alerts.
- »» **K9 Unit:** Our K9 Unit forms part of our Special Operations Teams. The unit's detection dogs will conduct drug searches, and provide support with patrols and special operations.

- »» **AccessTrack:** A scanner-based access control system identifying driver ID and vehicle registrations to control access/egress with a centralised database to be shared (if requested) amongst participating schools and campuses to enable the flagging of suspicious vehicles or drivers, or any access control related threats.
- »» **Firefighting Services:** 24/7 Security partners with Fire Operations (Pty) Ltd to provide schools and campuses with access to first responder firefighting and rescue services.
- »» **Medical:** 24/7 Security partners with Netcare 911 Emergency Medical Response.
- »» **Safety and security workshops:** Tailor-made workshops to be delivered by our training department covering general safety and security awareness as well as drug awareness. These courses can be presented to both learners and teachers.
- »» **Risk Audits:** Comprehensive risk assessments can be conducted on an annual or bi-annual basis.

»» **24/7 Security Services provides specialist security services to more than 50 schools and campuses in Gauteng.**

The 24/7 Security Covid-19 Task Team manages a comprehensive programme that ensures a safe workplace for employees. Procedures are regularly updated and implemented at all our sites.
